Dear Fellow Member of 1965

This comes to you with Liz Cooke's email about our 50th Anniversary reunion planned for 16th and 17th September 2015. A small group of us has begun to plan an interesting couple of days and we do hope you like the idea and will want to attend.

A booklet of biographies has been well-received at recent reunions so we, Gillian and Nicola, have agreed to prepare one for our year.

This letter is to ask you to write a short contribution about yourself.

Some guidelines to help you:

- Length 300-400 words and a photograph, please.
- Write informally as if speaking to us.
- Write about any aspects of life since Somerville you want; home and work, any community involvement, travels or moves, changes or developments of interests and opinions.
- Please tell us a bit about your life before university, what you are doing now, and any hopes/plans for the future.

It would also be interesting to read any reflections about your time at Somerville and how, if at all, the experience affected your life subsequently.

Please send your piece and photograph by Monday 15 June, preferably to **both of us by e-mail**, but otherwise **by post to one of us** at the addresses above

We will of course consult you if we have any changes to suggest for your piece.

contd./

A printed copy of the booklet will be available free to those attending the reunion. An e-mail copy will be sent to all members of our year.

We very much look forward to hearing from you and to meeting up in September.

With all best wishes from
