

Somerville 50th Anniversary Reunion

Matriculation Year 1967

Our Lives So Far

Dear Somervillian from 1967

This letter comes to you as part of the preparation for our 50th Anniversary reunion in College on 13th and 14th September 2016. A small group of us has begun to plan an interesting couple of days and we do hope you like the idea and will want to attend.

A booklet of 'Our Lives So Far' ('biographies') has been well-received at recent reunions so we, Alison Burns, Gwenda Scarlett and Joanna French, have agreed to prepare one for our year.

This letter is to ask you to write a short contribution about yourself. These will be put into a booklet for us all to read and keep as a memory, both of our time at Somerville and our 50th reunion.

Some guidelines to help you:

- length 300-400 words and photographs of you then (if possible) and now;
- please send photos digitally: you can scan the 1967 version and we presume the most recent one will be digital anyway;
- write informally as if speaking to us;
- write about any aspects of life since Somerville: home and work, any community involvement, travels or moves, changes or developments of interests and opinions. We are not just interested in amazing successes in life, although these are interesting. ALL lives and experiences will be worth reading about;
- you can include a bit about your life before university, as well as what you are doing now, and any hopes/plans for the future;
- it would be interesting to read any reflections about your time at Somerville and how, if at all, the experience affected your life subsequently.

Please email your piece and photograph **by the end of April, preferably to all three of us**. We will, of course, consult you if we have any changes to suggest to your piece. A printed copy of the booklet will be available free to those attending the reunion. An e-mail copy will be sent to all members of our year.

We very much look forward to hearing from you and to meeting up in September.

With best wishes from
