## **Equal Opportunities Monitoring Information**

Higher education institutions have a legal duty to collect, analyse and publish equal opportunity data about characteristics that are protected against discrimination under the Equality Act 2012, such as age, race, and disability. Somerville is keen to comply with this legal duty so that it is able to measure the effectiveness of its equality policies, and to ensure that those who work and study at Somerville are treated equally and discrimination involving the 'protected characteristics' is avoided.

Therefore we need you to provide the College with your personal equal opportunities data by completing and returning this form to the Human Resources team. Any information you provide will be presented in an anonymous format and any data that has the potential to identify you as an individual will not be published. The information collected through this form will be held on the Human Resources database and will be accessible only by the Human Resources staff. Data you supply will be kept strictly confidential and according to the Data Protection Act 1998.
