REUNION FOR SOMERVILLE MATHEMATICIANS
SATURDAY 24 JUNE 2017
SOMERVILLE COLLEGE

You are warmly invited to join us on Saturday 24 June for a reunion of Somerville mathematicians. The day is open to all graduates in Maths, Statistics and Computer Science, including Joint Schools. Current undergraduates and College tutors and lecturers will also be invited. It will be an excellent chance for you to meet Somervillians from your own and different years and to hear some entertaining mathematical talks.

11.00am	Coffee/Registration in Flora Anderson Hall (Wolfson Building)
	Morning session to be chaired by Dr Hilary Ockendon
	Welcome from the Principal, Dr Alice Prochaska
11.30am	Professor Mason Porter, Somerville Fellow in Applied Mathematics 2007-2016, now Professor of Mathematics, UCLA *Mathematics and Social Networks*
12.15pm	Who's Who in Somerville Maths
12.30pm	Reception
1.00pm	Lunch in Hall
	Afternoon session to be chaired by Dr Karin Erdmann
2.15pm	Professor Nicole Snashall (Greenwood, 1984), Professor of Pure Mathematics, University of Leicester *Patterns and Invariants in Mathematics*
2.50pm	Dr Eugenie Hunsicker (1990), Senior Lecturer in Mathematics, University of Loughborough, LMS Rep. *It Doesn't Take a Genius: The Life and Times of a Mathematician*
3.30pm	Optional Tour of the Andrew Wiles Building, the new Mathematical Institute designed by Rafael Viňoly and opened in 2013, right next door to Somerville, which has been described as "an innovative architectural tour-de-force". Find out more.
4.00pm	Tea in Flora Anderson Hall
