2017 Bank Account Details

From time to time during your course at Somerville, we may have occasion to award payments for travel or other awards, via your UK bank account. To enable us to do this, please fill out the details below.

Please note the following:

- This should be an account registered to the student and not a parent or guardian.
- For security purposes, this form should **not** be signed and should be sent separately from the other registration documents.
- Non-UK students, who do not have a UK bank account, will be able to print an enrolment certificate after they have completed the registration process. This certificate should be taken to the Academic Office in House 5 for stamping and can then be used to open a UK bank account.
