

The Friends of Somerville

The Friends of Somerville has been established to enable parents, guardians, and other family members of Somerville students to feel more involved with life at the College. It is free to join and those who do so will receive copies of our publications and invitations to various events.

Our relationships with our friends are very important to us and you can rely on us to keep you connected with the College community. We need to make sure that we have up-to-date contact details so that we can invite you to our events, keep you abreast of College news and activities and develop future events and initiatives that might be of interest to you. It would be very helpful if you could please take a few minutes to complete this form.

By completing and returning this form you agree that we can process and store your data in connection with the Somerville network of alumni and friends. Your data will be used by the College solely for organising events, producing and distributing print and e-publications, career networking and fundraising. Please note that it will take some time to update everyone's details on our system. If you would like a form with which you can review some information on the ways that we communicate with you and specify your individual preferences, please let us know and we will be very happy to send one to you.

To register please complete this form (one section for each relative wishing to join) and return it to:
Academic Office (Registration), Somerville College, Woodstock Road, Oxford OX2 6HD
