### 1. Eligibility to work in the UK

If you have been employed, at least one of your referees should be your formal line manager from your most recent job. It is helpful if you can tell us how each referee knows you and your referees should not be related to you. Your referees will be asked to comment on your suitability for the post, to provide details of the dates of your employment, and of any disciplinary processes which are still 'live'.

**We will assume that we may approach your referees at any stage unless you tell us otherwise, so please state clearly if you wish to be contacted before a referee is approached.**

### 3. Medical fitness

The purpose of the pre-employment medical health questionnaire is to:

- (i) assess the candidate's medical capability to do the job for which they have applied:
- (ii) determine whether any reasonable adjustments or auxiliary aids may be required to accommodate any disability or impairment which they may have
- (iii) ensure that none of the requirements of the job for which they have applied would adversely affect any pre-existing health conditions the candidate may have.

The appointment will not commence until medical fitness for work, and any reasonable adjustments that may be required, is confirmed by the University Occupational Health Service.
