

SOMERVILLE **EMENTORING**

# Have you thought about life after Somerville?

## Do you need careers advice and guidance?

Our new platform is designed to make the most of being part of a community of over 6000 Somervillians across the globe. It will help you **navigate careers**, **explore professions** and get **inside industry information** from a broad range of volunteer mentors.

We've got representatives from a wide range of industries including: Education, IT, Law, Finance and International Development.

### How can mentors help YOU?

-  Advice via phone or email
-  CV and application review
-  Face to face meetings
-  Visit to place of work, work shadowing and work experience
-  Full internship
-  A job!

The Somerville journey doesn't end when you leave Somerville – eMentoring will help you make the most of our network!
