References will not accompany your application, and they will not be used in the selection committee's initial consideration of all the candidates. Nevertheless, you should contact your referees before applying, to ensure they are aware of your application and the requirements for the post, and that they would be content to write a reference for you for this post if asked to do so. In your application, please include for each referee their name, position, relationship to you, postal address, email address and contact telephone number, and whether you give permission for us to contact them. The College and the University will assume that they may approach your referees at any stage unless your application specifies otherwise. Therefore if you would prefer them to be approached only with your specific permission, or only if you are invited for interview, then you must specify this in your application. You should name three referees in your application even if you do not wish them to be contacted yet.
