3. If any question shall arise upon which the Governing Body is unable to agree, depending wholly or in part upon the construction of any of the Statutes of the College, the Governing Body or the Principal or any four members of the Governing Body may submit the same to the Visitor, and the Visitor shall thereupon declare the true construction of the Statutes with reference to the case submitted to him or her subject to clause 6 below.

4. The Principal or any Fellow of the College, if aggrieved by any act of the Governing Body, may appeal to the Visitor and the Visitor shall adjudicate on the appeal, and may confirm, reverse, or vary the act or decision as she deems just, subject to clause 6 below.

5. The Visitor shall have power at any time at her discretion, on the application or request in writing of the Principal and any three members of the Governing body, absolutely to make valid and confirm anything done that might be done under the Statutes for the time being of the College, but which by reason of any irregularity or omission or other matter
whatever preliminary thereto or connected therewith may be invalid or of doubtful validity, if in the judgement of the Visitor such irregularity or omission or other matter is not one of substantial importance with reference to the thing proposed to be made valid or confirmed.

6. In accordance with the provisions of the Education Reform Act 1988, and of the Higher Education Act 2004, nothing in these Statutes shall enable or require the Visitor:

   (a) to determine the construction of any Statute, to disallow any By-Law or resolution of the Governing Body, to hear any appeal, or determine any dispute relating to a member or ex-member of the academic or administrative staff which concerns the member's appointment or employment or the termination of that appointment or employment; or in respect of which proceedings could be brought before any court or tribunal; or
   (b) to disallow any By-Law or resolution of the Governing Body relating to any kind of student complaint, or to hear any kind of student complaint, or that from a prospective student applying for admission; or
   (c) to disallow or annul any By-Law made under or having effect for the purposes of Statute XII.

   **XII. ACADEMIC STAFF**

   **Part I: CONSTRUCTION, APPLICATION AND INTERPRETATION**

   1. This Statute and any By-Law made under this Statute shall be construed in every case to give effect to the following guiding principles, that is to say:

      (a) to ensure that members of the academic staff of the College have freedom within the law to question and test received wisdom, and to put forward new ideas and controversial or unpopular opinions, without placing themselves in jeopardy of losing their jobs or privileges; and
      (b) to enable the College to provide education, to promote learning, and to engage in research efficiently and economically; and
      (c) to apply the principles of justice and fairness.

   2. No provision in Part II, Part III, Part IV or Part VII shall enable any member of the academic staff to be dismissed unless the reason for the dismissal may in the circumstances (including the size and administrative resources of the College) reasonably be treated as a sufficient reason for dismissal.

   3. (1) This Statute shall apply:

      (a) to any person holding a College Office designated by the Governing Body in its By-Laws as one to which this Statute applies; and
      (b) to any person employed or appointed by the College to carry out teaching or research save for those holding appointments which have been excluded by the Governing Body from the scope of this Statute on the ground that the duties in that regard are only of limited nature; and
      (c) to the Principal, to the extent and in the manner set out in Part VII of this Statute.

      (2) In this Statute any reference to "a member of the academic staff" is a reference to a
person to whom this Statute applies.

4. In this Statute "dismiss" and "dismissal" mean dismissal of a member of the academic staff and

(a) include remove or, as the case may be, removal from office; and
(b) in relation to employment under a contract, shall be construed in accordance with section 95 of the Employment Rights Act 1996 (as amended) and any relevant supplementary legislation.

(a) conviction for an offence which may be deemed by an Academic Disciplinary Committee appointed under Part III to be such as to render the person convicted unfit for the performance of the duties of the office or employment as a member of the academic staff; or
(b) conduct of an immoral, scandalous or disgraceful nature incompatible with the duties of the office or employment; or
(c) conduct constituting failure or persistent refusal or neglect or inability to perform the duties or comply with the conditions of office; or
(d) wilful disruption of the activities of the College; or
(e) wilful disobedience of any of the Statutes or By-Laws of the College in force for the time being; or
(f) physical or mental incapacity established under Part IV.

(2) In this clause:

(a) “capability”, in relation to such a member, means capability assessed by reference to skill, aptitude, health or any other physical or mental quality; and
(b) “qualifications”, in relation to such a member, means any degree, diploma or other academic, technical or professional qualification relevant to the office or position held by that member.

6. For the purposes of this Statute dismissal shall be taken to be a dismissal by reason of redundancy if it is attributable wholly or mainly to:

(a) the fact that the College has ceased, or intends to cease, to carry on the activity for the purposes of which the person concerned was appointed or employed or has ceased, or intends to cease, to carry on that activity in the place in which the person concerned worked; or
(b) the fact that the requirements of that activity for members of the academic staff to carry out work of a particular kind in that place have ceased or diminished or are expected to cease or diminish.

7. (1) In any case of conflict, the provisions of this Statute shall prevail over those of any
other Statute of the College in force on the date on which the instrument making these modifications was approved under subsection (9) of section 204 of the Education Reform Act 1988, and over those of any By-Law, and the provisions of any By-Law made under this Statute shall prevail over those of any By-Law made under such other Statutes:

Provided that Part III, Part IV and Part VII shall not apply in relation to anything done or omitted to be done before the date on which the instrument making these modifications was approved under subsection (9) of section 204 of the Education Reform Act 1988.

Provided also that disciplinary proceedings in relation to anything done or omitted to be done before that date may continue or be instituted after that date under the relevant College Statutes in force before that date.

(2) Nothing in any appointment made, or contract entered into, shall be construed as overriding or excluding any provision made by this Statute concerning the dismissal of a member of the academic staff of the College by reason of redundancy or for good cause:

Provided that this shall not invalidate any waiver made under any settlement agreement under section 203 of the Employment Rights Act 1996 (as amended) or any similar waiver or agreement permitted by law.

(3) For the avoidance of doubt it is hereby declared that nothing in Part III of this Statute shall be construed as affecting the Statutes and By-Laws of the College concerning re-election on the expiry of a fixed term of a Fellowship.

(4) In any case where an officer of the College or any person is designated to perform any duties or exercise any powers under this Statute, and that officer or person is herself involved in the matter in question, the Governing Body may appoint an alternate to act in her place under procedures prescribed by Bye-Laws made under this Statute.

(5) Nothing in any other Statute shall enable the Governing Body to delegate its power to reach a decision under clause 10(2).

(6) No one shall sit as a member of any of the bodies established under this Statute, and no one shall be present at a meeting of such body when the body is considering its decision or discussing a point of procedure, except as provided by this Statute or by By-Laws made under this Statute.

(7) In this Statute references to numbered Parts, clauses, and sub-clauses are references to Parts, clauses and sub-clauses so numbered in this Statute.

**PART II REDUNDANCY**

8. This Part enables the Governing Body, as the appropriate body, to dismiss any member of the academic staff by reason of redundancy.

9. (1) Nothing in this Part shall prejudice, alter or affect any rights, powers or duties of
the College or apply in relation to a person unless:

(a) her appointment is made, or her contract of employment is entered into, on or after 20th November 1987; or
(b) she is promoted on or after that date.

(2) For the purposes of this clause in relation to a person, a reference to an appointment made or a contract entered into on or after 20th November 1987 or to promotion on or after that date shall be construed in accordance with subsections (3) to (6) of section 204 of the Education Reform Act 1988.

10. (1) The Governing Body shall be the appropriate body for the purposes of this Part.
   (2) This Part applies where the Governing Body has decided that there should be a reduction in the academic staff:

   (a) of the College as a whole; or
   (b) of any area of academic work within the College by way of redundancy.

11. (1) Where the Governing Body has reached a decision under clause 10(2):

   (a) it may itself decide to select the requisite members of the academic staff for dismissal by reason of redundancy if such a course satisfies the guiding principles set out in clause 1 above; or
   (b) it shall appoint a Redundancy Committee to be constituted in accordance with sub-clause (3) of this clause to give effect to its decision by such date as it may specify and for that purpose:
      (i) to select and recommend the requisite members of the academic staff at risk of dismissal by reason of redundancy; and
      (ii) to report its recommendations to the Governing Body.

   (2) The Governing Body shall either approve any selection recommendation made under sub-clause (1) (b) (i), or shall remit it to the Redundancy Committee for further consideration in accordance with its further directions.

   (3) A Redundancy Committee appointed by the Governing Body shall comprise:
      (a) a Chair; and
      (b) two members chosen from Fellows of the College to whom this Statute does not apply; and
      (c) two members chosen from amongst members of the Governing Body.

12. (1) Where the Governing Body has either itself made a selection or has approved a selection recommendation made by the Redundancy Committee under clause 11(1) it may authorise an officer of the College as its delegate to dismiss any member of the academic staff so selected.

   (2) Each member of the academic staff selected shall be given separate notice of the selection approved by the appropriate body.

   (3) Each separate notice shall sufficiently identify the circumstances which have satisfied the appropriate body that the intended dismissal is reasonable and in
particular shall include:

(a) a summary of the action taken by the appropriate body under this Part;
(b) an account of the selection processes it has used;
(c) a reference to the rights of the person notified to appeal against the notice and to the time within which any such appeal is to be lodged under Part V; and
(d) a statement as to when the intended dismissal is to take effect and details of the member's right of appeal against the decision to dismiss by reason of redundancy.

(4) A member of the academic staff shall not be selected for dismissal under clauses 11 or 12 unless she has been afforded a reasonable opportunity to make representations to the Governing Body or Redundancy Committee at an oral hearing. Prior to the oral hearing, the member shall receive written notice of the action being considered by the Governing Body or Redundancy Committee under this Part and an account of the selection processes it has followed, including a copy of the selection criteria and scores used by the Governing Body or Redundancy Committee to identify the member as being at risk of redundancy, if appropriate.

PART III DISCIPLINE, DISMISSAL AND REMOVAL FROM OFFICE

13. (1) If it appears to the Principal that there are grounds for believing that the conduct or performance of a member of the academic staff is or has been unsatisfactory, she shall inquire into the matter. If the Principal concludes after investigation that the member is or has been at fault, she may issue an oral warning to the member. The Principal shall specify the reason for the warning, shall indicate that it constitutes the first stage of the College's disciplinary procedure, and shall advise the member that she may appeal against the warning under sub-clause (4) of this clause.

(2) If the Principal concludes after investigation that the fault is sufficiently serious to justify it, or if a further offence occurs, she may issue a written warning to the member. Such a warning shall specify the complaint made against the member, the reason for the warning, the improvements required in the member's conduct or performance, and the period of time within which such improvements are to be made. The Principal shall advise the member that she may appeal against the warning under sub-clause (4), and shall indicate that, if no satisfactory improvement takes place within the stated time, a complaint may be made seeking the institution of charges to be heard by an Academic Disciplinary Committee which may lead to dismissal.

(3) The Principal shall keep a written record of any warning issued under sub-clause (1) or sub-clause (2). No further account shall be taken of an oral warning when one year has elapsed after the date of issue, and no further account shall be taken of a written warning when two years have elapsed after the date of issue.

(4) A member of the academic staff who wishes to appeal against a disciplinary warning shall inform the Principal within two weeks. An Appeals Committee appointed by the Governing Body shall hear the appeal and the Committee's decision shall be final. If the appeal is allowed, the warning shall be disregarded.

14. (1) If there has been no satisfactory improvement following a written warning given
under clause 13(2), or in any case where it is alleged that conduct or performance may constitute good cause for dismissal or removal from office, a complaint seeking the institution of charges to be heard by an Academic Disciplinary Committee appointed under clause 15 may be made to the Principal.

(2) To enable the Principal to deal fairly with any complaint brought to her attention under sub-clause 14(1) she shall institute such enquiries (if any) as appear to her to be necessary.

(3) If it appears to the Principal (whether on receipt of a complaint or otherwise) that there are grounds for believing that the conduct or performance of a member of the academic staff could constitute good cause for dismissal, she shall write to the person concerned inviting comment in writing and, if she considers that the College might otherwise suffer significant harm may, at this stage or at any stage prior to the conclusion of any hearing by an Academic Disciplinary Committee, suspend the person concerned from the performance of her duties without loss of pay or emoluments.

(4) As soon as may be following the comments (if any) or in any event not later than 28 days after they were invited the Principal shall consider the matter in the light of all the available material and may dismiss the matter summarily, or issue a written or oral warning to the person concerned, or determine that the matter be considered by an Academic Disciplinary Committee appointed under clause 15.

15. If the Principal has determined that the matter is to be considered by an Academic Disciplinary Committee, she shall request the Governing Body to appoint such a Committee to hear the charge or charges and to determine whether the conduct or performance of the person charged constitutes good cause for dismissal or otherwise constitutes a serious complaint relating to her appointment or employment, and to make recommendations concerning the action (if any) to be taken as a result of the Committee's findings.

16. (1) An Academic Disciplinary Committee shall consist of three persons selected by the Governing Body from a panel of seven persons appointed annually by the Governing Body. The members of the panel shall be members of Governing Body or Honorary or Emeritus Fellows of the College.

(2) In selecting members of the panel for appointment as members of an Academic Disciplinary Committee, the Governing Body shall exclude the person charged, and any person who has been involved in or associated with the making of the complaint or any part of it, or who has been involved in any preliminary hearing or investigation.

17. (1) When an Academic Disciplinary Committee has been appointed, the Governing Body shall instruct a solicitor or other suitable person to formulate the charge or charges and to present, or arrange for the presentation of, the charges before the Academic Disciplinary Committee.

(2) It shall be the duty of the person formulating the charge or charges:
to forward the charge or charges to the Committee and to the member of the academic staff concerned, together with the other documents therein specified and a list of all witnesses the College proposes to call, with statements containing the evidence they are expected to give; and

(b) to make any necessary administrative arrangements for the arranging of an oral hearing, summoning of witnesses, the production of documents and generally for the proper presentation of the case before the Committee.

18. The procedure to be followed in respect of the preparation, hearing, and determination of any charge by an Academic Disciplinary Committee shall be prescribed by By-Laws made under this Statute. Such By-Laws shall ensure:

(a) that the person charged is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing by an Academic Disciplinary Committee; and

(b) that a charge shall not be determined without an oral hearing at which the person charged and any person appointed to represent her are entitled to be present and that in advance of that hearing, the person charged shall have been sent a copy of any evidence to be relied upon by the Disciplinary Committee; and

(c) that witnesses may be called, both on behalf of the person charged and by the person presenting the charge, and may be questioned concerning any relevant evidence; and

(d) that no new witness or documentary evidence may be introduced by the person presenting the charge without the Committee's consent, which shall not be given save for good reason, and that if late introduction is allowed, the member of the academic staff shall be allowed an adjournment sufficient to allow her to consider and respond to the new evidence; and

(e) that any charge is heard and determined as expeditiously as is reasonably practicable.

19. (1) The Academic Disciplinary Committee shall send its decision on any charge referred to it (together with its findings of fact and the reasons for its decision regarding that charge and its recommendations, if any, as to the appropriate penalty) to the Principal, the person charged, the person presenting the charge and any person who shall have been added as a party by the Academic Disciplinary Committee.

(2) The Academic Disciplinary Committee shall draw attention to the period of time within which any appeal should be made by ensuring that a copy of Part V (Appeals) accompanies each copy of its decision sent to a party to the proceedings under this clause.

20. (1) Where any charge or charges is upheld and the Academic Disciplinary Committee finds good cause and recommends dismissal or removal from office, but in no other case, the Principal shall consult the Governing Body and shall decide whether or not to dismiss the person concerned. Any decision to dismiss shall be confirmed in writing, including the right of appeal, and notified to the person concerned.
(2) Where any charge is upheld, other than where the Principal has decided under sub-clause (1) to dismiss the person concerned, the action available to the Principal after consulting the Governing Body (not comprising a greater penalty than that recommended by the Academic Disciplinary Committee) shall be:

(a) to discuss the issues raised with the person concerned; or
(b) to advise the person concerned about her future conduct; or
(c) to warn the person concerned; or
(d) to suspend the person concerned for such period as the Principal shall think fair and reasonable, provided that the suspension shall not extend beyond three months after the date on which the Governing Body shall have considered the Academic Disciplinary Committee's decision, provided that no suspension without pay may be ordered unless the terms of the contract of employment of the person concerned contains provisions expressly entitling the Principal to impose such a penalty; or
(e) such further or other action under the contract of employment or terms of appointment of the person concerned as appears fair and reasonable in all the circumstances of the case; or
(f) any combination of any of the above.

21. (1) The Principal shall be the appropriate officer to exercise the powers conferred by clause 20 but she may appoint a delegate to exercise those powers.

(2) Any action taken by the Principal or her delegate shall be confirmed in writing and notified to the Governing Body.

PART IV REMOVAL FOR INCAPACITY ON MEDICAL GROUNDS

22. (1) This Part makes separate provision for the assessment of incapacity on medical grounds as a good cause for dismissal or removal from office.

(2) In this Part references to medical grounds are references to capability assessed by reference to health or any other physical or mental quality. Nothing in the Statute shall override any relevant disability discrimination legislation.

(3) In this Part the Principal shall be the appropriate officer to perform any duties or exercise any powers, but she may appoint a delegate to exercise any of these powers or perform any of these duties.

(4) In this Part references to the member of the academic staff for the purposes of notification, giving consent, agreement, nomination or providing evidence include, in cases where the nature of the alleged disability so requires, a responsible relative or friend or other person with authority to act on behalf of that member in addition to (or instead of) that member.

23. (1) Where it appears to the Principal that the removal of a member of the academic staff on medical grounds should be considered, the Principal:

(a) shall inform the member accordingly at a meeting; and
(b) may, if the member agrees or if the Principal considers that the College might
otherwise suffer significant harm, suspend the member from duty without loss of pay; and

c) shall notify the member in writing that it is proposed to make an application to the member's medical practitioner for a medical report and shall seek the member's consent in writing in accordance with the requirements of the Access to Medical Reports Act 1988.

(2) If the member elects to apply for early retirement on medical grounds she shall be allowed to do so and the College shall meet the reasonable costs of any medical opinion required.

(3) If the member does not elect to apply for early retirement on medical grounds the Principal may refer the case in confidence, with any medical and other evidence (including any such evidence submitted by the member), to a Medical Board comprising one person nominated by the Governing Body; one person nominated by the member concerned or, in default of the latter nomination, by the Principal; and a medically qualified Chair jointly agreed by the Governing Body and the member or, in default of agreement, to be nominated by the President of the Royal College of Physicians.

(4) The procedure to be followed in respect of the preparation, hearing, and determination of a case by a Medical Board under this Part shall be prescribed by By-Laws made under this sub-clause. Such By-Laws shall ensure:

a) that the member concerned is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing by the Medical Board; and

b) that a case shall not be determined without an oral hearing at which the person concerned and any person appointed to represent her are entitled to be present and in advance of which the member shall have been sent a copy of the medical opinion and any other evidence to be relied on by the Medical Board at the hearing; and

c) that witnesses may be called and may be questioned concerning any relevant evidence; and

d) that the case is heard and determined as expeditiously as is reasonably practicable.

(5) The Board may require the member concerned to undergo medical examination at the College's expense.

24. (1) If the Board determines that the member should be required to retire on medical grounds, the Principal shall consult the Governing Body, and may terminate the employment of the member concerned on those medical grounds. The decision to dismiss, including the right of appeal, shall be notified to the member concerned in writing.

(2) Any action taken by the Principal or her delegate shall be confirmed in writing and notified to the Governing Body.

PART V APPEALS
25. This Part establishes procedures for hearing and determining appeals by members of the academic staff who are dismissed or under notice of dismissal or who are otherwise disciplined.

26. (1) This Part applies:

   (a) to appeals against any decisions of the Governing Body to dismiss in the exercise of its powers under Part II; and
   (b) to appeals arising in any proceedings, or out of any decision reached, under Part III other than appeals against disciplinary warnings under clause 13; and
   (c) to appeals against any dismissal otherwise than in pursuance of Part II, Part III, Part IV or Part VII; and
   (d) to appeals against any disciplinary decision otherwise than in pursuance of Part III; and
   (e) to appeals against any decision reached under Part IV; and
   (f) to appeals against any decision reached under Part VII,

and “appeal” and “appellant” shall be construed accordingly.

(2) No appeal shall however lie against:

   (a) any finding of fact of an Academic Disciplinary Committee under Part III, or of a Tribunal under Part VII save where, with the consent of the person or persons hearing the appeal, fresh evidence is called on behalf of the appellant at that hearing; or
   (b) any medical finding by a Board set up under Part IV clause 23(3) save where, with the consent of the person or persons appointed, fresh evidence is called on behalf of the appellant at that hearing.

(3) In this Part references to "the person appointed" are references to the person appointed by the Governing Body under clause 29 to hear and determine the relevant appeal.

(4) The parties to an appeal shall be the appellant and the Principal and any other person added as a party at the direction of the person appointed.

27. A member of the academic staff shall institute an appeal by serving on the Principal, within the time allowed under clause 28, notice in writing setting out the grounds of the appeal.

28. (1) A notice of appeal shall be served within 20 working days of the date on which the document recording the decision appealed from was sent to the appellant or such longer period, if any, as the person appointed may determine under sub-clause (3).

(2) The Principal shall bring any notice of appeal received (and the date when it was served) to the attention of the Governing Body and shall inform the appellant that she has done so.

(3) Where the notice of appeal was served on the Principal outside the 20 working day
period the person appointed under clause 29 shall not permit the appeal to proceed unless she considers that justice and fairness so require in the circumstances of the case.

29. (1) Where an appeal is instituted under this Part the Governing Body shall appoint a person described in sub-clause (2) to hear and determine that appeal subject to sub-clause (3).

(2) The persons described in this sub-clause are persons not employed by the College holding, or having held, judicial office or being barristers or solicitors of at least ten years' standing.

(3) The person appointed shall sit alone unless she considers that justice and fairness will best be served by sitting as an Appeal Tribunal with two other persons.

(4) The other persons who may sit with the person appointed and who shall be appointed by the Governing Body shall be:

(a) one member chosen from amongst Honorary and Emeritus Fellows; and
(b) one other member chosen from amongst members of the Governing Body.

30. (1) The procedure to be followed in respect of the preparation, consolidation, hearing and determination of appeals shall be that set out in By-Laws made under this clause.

(2) Without prejudice to the generality of the foregoing such By-Laws shall ensure:

(a) that an appellant is entitled to be represented by another person, whether such person is legally qualified or not, in connection with and at any hearing of her appeal; and
(b) that an appeal shall not be determined without an oral hearing at which the appellant and any person appointed by her to represent her are entitled to be present and, with the consent of the person or persons hearing the appeal, to call witnesses and in advance of which, the appellant has been sent a copy of any documentary evidence which will be relied on at the hearing; and
(c) that full and sufficient provision is made for postponements, adjournments, dismissal of the appeal for want of prosecution and for the correction of accidental errors; and
(d) that the person appointed may set appropriate time limits for each stage (including the hearing itself) to the intent that any appeal shall be heard and determined as expeditiously as is reasonably practicable.

(3) The person or persons hearing the appeal may allow or dismiss an appeal in whole or in part and, without prejudice to the foregoing, may:

(a) remit an appeal from a decision under Part II to the Governing Body (or any issue arising in the course of such an appeal) for further consideration as the person or persons hearing the appeal may direct; or
(b) remit an appeal arising under Part III for re-hearing or reconsideration by the same or by a differently constituted Academic Disciplinary Committee to be appointed under that Part; or
(c) remit an appeal from a decision under Part IV for further consideration as the person or persons hearing the appeal may direct; or
(d) remit an appeal by the Principal arising under Part VII for re-hearing or reconsideration by the same or by a differently constituted Tribunal to be appointed under that Part; or
(e) substitute any lesser alternative penalty that would have been open to the Principal following the finding by the Academic Disciplinary Committee which heard and pronounced upon the original charge or charges.

31. The person appointed shall send a reasoned decision, including any decision reached in exercise of her powers under clause 30(3)(a), (b), (c), or (d) on any appeal and a statement of any findings of fact different from those of the Governing Body under Part II or by the Academic Disciplinary Committee under Part III or of the Board under Part IV or of the Tribunal appointed under Part VII, as the case may be, to the Principal and to the parties to the appeal.

PART VI GRIEVANCE PROCEDURES

32. The aim of this Part is to settle or redress individual grievances promptly, fairly and, so far as may be, within the relevant area by methods acceptable to all parties.

33. The grievances to which this Part applies are ones by members of the academic staff concerning their appointments or employment where those grievances relate:

(a) to matters affecting themselves as individuals; or
(b) to matters affecting their personal dealings or relationships with other staff or Fellows of the College,

not being matters for which express provision is made elsewhere in this Statute.

34. (1) If other remedies within the relevant area have been exhausted the member of the academic staff may raise the matter with the Principal.

(2) If it appears to the Principal that the matter has been finally determined under Part III, IV or V or that the grievance is trivial or invalid, she may dismiss it summarily, or take no action upon it. If it so appears to the Principal she shall inform the member and may inform the Governing Body accordingly.

(3) If the Principal is satisfied that the subject matter of the grievance could properly be considered with (or form the whole or any part of):

(a) a complaint under Part III; or
(b) a determination under Part IV; or
(c) an appeal under Part V,

she shall defer action upon it under this Part until the relevant complaint, determination or appeal has been heard or the time for instituting it has passed and
If the Principal does not reject the complaint under sub-clause (2) or if she does not defer action upon it under sub-clause (3) she shall decide whether it would be appropriate, having regard to the interests of justice and fairness, for her to seek to dispose of it informally. If she so decides she shall notify the member and proceed accordingly.

35. If the grievance has not been disposed of informally under clause 34 (4), the Principal shall refer the matter to a Grievance Committee for consideration.

36. A Grievance Committee shall comprise three Fellows of the College appointed by the Governing Body.

37. The procedure in connection with the consideration and determination of grievances shall be determined in By-Laws in such a way as to ensure that the aggrieved person and any person against whom the grievance lies shall have the right to be heard at a hearing and to be accompanied by a friend or representative.

38. The Committee shall inform the Governing Body whether the grievance is or is not well-founded and if it is well-found the Committee shall make such proposals for the redress of the grievance as it sees fit and shall inform the aggrieved person of its decision in writing, including details of the right of appeal.

PART VII REMOVAL OF THE PRINCIPAL FROM OFFICE

39. Any five members of the Governing Body may make complaint to the Vice-Principal seeking the removal of the Principal from office for good cause.

40. The Vice-Principal shall refer such a complaint to the Governing Body, exclusive of the Principal and the members making the complaint. If it appears to the Governing Body that the complaint does not raise a prima facie case or that it is trivial or invalid or unjustified or is not supported by sufficient evidence of good cause for the removal of the Principal from office, it may determine that no further action shall be taken upon it.

41. If it appears to the Governing Body on the available material that the complaint could, if proved, constitute good cause for the removal of the Principal from office, it shall appoint a Tribunal to hear and determine the matter.

42. The Tribunal appointed by the Governing Body shall comprise:

(a) an independent Chair; and
(b) one member chosen from amongst members of the Governing Body, who was not one of the members seeking the removal of the Principal; and
(c) one member chosen from amongst members of the Governing Body who was one of the members seeking the removal of the Principal.

43. A charge referred to the Tribunal shall be dealt with in accordance with the procedure prescribed in clauses 17 to 19, provided:
(a) that the Vice-Principal shall perform any duty and exercise any power there assigned to the Principal; and
(b) that the only recommendation the Tribunal may make is whether or not the Principal should be removed from her office.

44. Where a charge or charges have been upheld and the Tribunal finds good cause and recommends dismissal, but in no other case, the Vice-Principal shall consult the Governing Body and may then dismiss the Principal.

45. Where a complaint is to be referred to a Tribunal under clause 41, the Vice-Principal may, if she considers that the College might otherwise suffer significant harm, suspend the Principal from her duties in all matters relating to the government and discipline of the College without loss of salary.

46. For the purpose of the removal of the Principal from her office for incapacity on medical grounds, the provisions of Part IV shall have effect, provided that the Vice-Principal shall perform any duty or exercise any power there assigned to the Principal.

47. For the purpose of appeals by the Principal against removal from office, the provisions of Part V shall have effect, provided that the Vice-Principal shall perform any duty or exercise any power there assigned to the Principal.
