

Covid Safety Measures for School Visits

- Schools are asked not to bring more than 25 visiting students per group.
- Participants are required to provide registration of a negative lateral flow test taken in the last 48 hours.
- All participants are asked to follow any current government guidelines regarding social distancing and to wash hands regularly.
- Participants are requested NOT TO ATTEND the event if they are displaying any symptoms of Covid-19, if a member of their household is self-isolating or they are in quarantine.
- School staff are asked to scan the NHS QR code and/or provide contact details to enable Somerville College to put the NHS Test and Trace system into operation.
- Unless they have a medical exemption, all participants are asked to wear a mask when inside College or University buildings, with the exception of when they are eating in the dining room.
- Ventilation sources have been identified and reviewed, and will be maximised during the event.
- Hand-washing facilities will be clearly signposted and hand sanitiser stations will be available at points of entry and exit.
- Participants should note that Somerville's catering provision follows current guidelines regarding social-distancing and hygiene regulation and Somerville has considered all government and university guidance and regulations.
