

Weekend Housekeeping Assistants – Temporary Summer Work

£11.36 per hour

Ref: 900504

Somerville College would welcome applications from candidates interested in temporary, weekend work over the summer months in the Housekeeping Department.

The Housekeeping Department has a team of General Assistants, or 'Scouts', who are managed by the Housekeeping and Accommodation Manager and supervised by our Senior Housekeeping Assistants on a daily basis. Together, the team are responsible for delivering a consistently high standard of cleaning and general housekeeping throughout the College.

Conference business is an important College activity and once the students leave for the summer vacation, the College arranges a variety of residential summer schools, conferences and workshops. During our busy summer conference period, all guest rooms are cleaned and formally checked by the Senior Housekeeping Assistants prior to visitors arriving. Duties will include changing beds and towels, counting and bagging laundry as well as general cleaning. This is a physically demanding role with frequent room turnovers for new guests and a high volume of rooms.

The Housekeeping Assistants also have an important role in maintaining the College's health and safety obligations by reporting any maintenance requirements or hazards promptly to the Housekeeping Supervisor. The rate of pay is £11.36 per hour and additional hours may be available on a casual basis at the casual rate of pay. Uniform and training will be provided as needed.

The posts are available from Saturday, 24 June through to Sunday, 27 August 2023 though some flexibility is possible with start and finish dates for the right candidates. The hours on offer are 5 hours each Saturday and Sunday, preferably mornings.

Pre-employment screening

If you are selected for the post, employment with the College will be conditional upon satisfying the following requirements.

1. Eligibility to work in the UK

The Immigration, Asylum and Nationality Act 2006 makes it a criminal offence for employers to employ someone who is not entitled to work in the UK. **We therefore ask applicants to provide proof of their right to work in the UK before employment can commence.**

Please note that you will need to provide original documents and where any documents are not in English a certified translation will be required. **Do not include these documents with your application.** You will be sent a request for the relevant information at the appropriate point in the selection process.

2. References

You are asked to give us details of two people who have agreed to give a reference for you. If you have previously been employed your referees should be people who have direct experience of your work through working closely with you for a considerable period. If you have been employed, at least one of your referees should be your formal line manager from your most recent job. It is helpful if you can tell us how each referee knows you and your referees should not be related to you. Your referees will be asked to comment on your suitability for the post, to provide details of the dates of your employment, and of any disciplinary processes which are still 'live'.

We will assume that we may approach your referees at any stage unless you tell us otherwise, so please state clearly if you wish to be contacted before a referee is approached.

3. Medical fitness

Please note that any offer of employment will be conditional upon receipt of a completed pre-employment medical health assessment questionnaire and confirmation from the University of Oxford Occupational Health Service that the candidate is medically fit for the post (allowing for any reasonable adjustments that may be required, in line with the provisions of the Equality Act 2010).

The purpose of the pre-employment medical health questionnaire is to:

- (i) assess the candidate's medical capability to do the job for which they have applied:
- (ii) determine whether any reasonable adjustments or auxiliary aids may be required to accommodate any disability or impairment which they may have
- (iii) ensure that none of the requirements of the job for which they have applied would adversely affect any pre-existing health conditions the candidate may have.

The appointment will not commence until medical fitness for work, and any reasonable adjustments that may be required, is confirmed by the University Occupational Health Service.
