*Introduction*

*How do we love? Let’s count the ways...*

Come and join us every Sunday in the Chapel at 5:30pm for a gentle and uplifting encounter with choral music, poems, Faith-based Writings in different languages, and reflections from speakers. Our theme for Michaelmas is ‘Ways of Loving’. How do we love? What and who do we love? What kinds of love can we offer the world? From planetary and environmental loves, to romantic loves, friendship loves, to the grief, loss and revolutionary power of loves, we’ll explore all of this in our weekly Choral Contemplation programmes, open to all.
