We are happy to provide IAG sessions for teachers and school support staff.

We also have a teachers' newsletter which you can sign up for by emailing access@some.ox.ac.uk

We would like to encourage schools to include pupils from widening participation backgrounds, e.g. FSM, first generation to go to university etc, as much as possible within the group they bring.

We will do our best to provide the support you require however due to staff capacity, we cannot guarantee multiple visits from/to the same school in a single academic year.
