

# ON BEING SEEN

CHORAL CONTEMPLATION

HILARY 2026 | SOMERVILLE  
COLLEGE CHAPEL

## Our Contemplation Theme

What does it mean and feel like to be seen? Who do we see or not see around us and why? What might a relationship which allows for people, creatures and our wild world to be witnessed look like? With choral music from Somerville College Choir, poetry, Faith-based writings in multiple languages, reflections from speakers, we'll contemplate the rich and varied meanings of this theme together.

**When?** Every Sunday at 5:30pm, open to all, Somerville and beyond. No need to book.

**Who?** Speakers will include Jamie Crabb, Revd. Donna McDowell, Asia Giuliani, and a collaboration with Alternative Canon for the Retune Festival.

**Why?** For community, connection and wellbeing.
