

Ratan Tata Building – Weekly look ahead

Construction Activity Week Commencing:

17/08/2026

Site Manager:

Martin Clarke

General Description of Work		Involves							Duration				High	Medium	Low
		Construction Traffic	Heavy Plant & Equipment	Light Plant & Equipment	Noise	Vibrations	Emissions	Dust	Constant	Frequent	Occasional	One Off			
Foundation piling works will continue throughout the week, with all remaining piles expected to be completed. Daily concrete deliveries and muck-away wagons will support the piling programme, while groundworks operatives will remain on site to assist with the works and complete any associated activities as required.
