

Ratan Tata Building – Weekly look ahead

Construction Activity Week Commencing:

5th September 2026

Site Manager:

Martin Clarke

General Description of Work		Involves						Duration				High	Medium	Low
		Construction Traffic	Heavy Plant & Equipment	Light Plant & Equipment	Noise	Emissions	Dust	Constant	Frequent	Occasional	One Off			
Foundation works will continue this week, including, laying concrete to provide a clean, level base, and installing steel reinforcement to strengthen the foundations. Protective sheets will be fitted around the foundations before soil is filled back around them. SSE will also continue installing the new electrical supply. Saturday works are also planned.
